

# OCD AWARENESS

a gathering for education and  
support on the topic of  
obsessive-compulsive  
disorder

**MONDAY  
OCTOBER 20**

**5:30 PM – 8:30 PM**

**Center for Academic Medicine  
453 Quarry Road, Stanford**

All are welcome to this gathering of the Stanford/Bay Area OCD community and those interested in learning more about it. This event is hybrid; if you are unable to join us in person, presentations can be viewed online via livestream to those who register.

**5:30 Dinner Reception Buffet**

**6:30 AI and OCD**

*panelists: Dr. Elias Aboujaoude, Zane Durante, Dr. Jiyeong Kim  
moderators: Scott Granet, LCSW, and Dr. Carolyn Rodriguez*

**7:30 Psychedelics and Exposure and Response Prevention Therapy**

*panelists: Drs. Trisha Suppes, Keara Valentine, Peter van Roessel  
moderator: Matias Serebrinsky of Business Trip podcast*

*Free underground parking available with a direct elevator to the event.*
